**RE: Community Input on the Network of Paratransit Services
in Santa Cruz County**

Dear Chair Beautz:

At the December 9, 2003 meeting of the Elderly & Disabled Transportation Advisory Committee (E/D TAC), members unanimously approved the following motion with John Daugherty abstaining.

The E/D TAC endorses convening a community-wide paratransit summit followed by the development of a strategic task force intended to improve cost efficiencies for specialized transportation in the county with an emphasis on improving transportation needs for clients.

Thank you for your consideration of these important issues.

Sincerely,

Michael Molesky, Chair
Elderly & Disabled Transportation Advisory Committee
