RE: RECREATION RAIL PROJECT

Dear Linda,

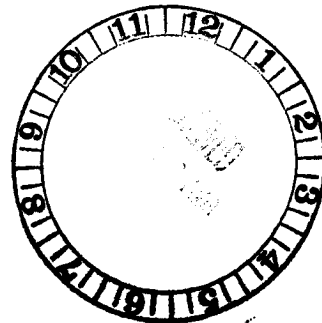

Thank you for updating me on the recreational rail project. Seascope Resort is not in a position to offer a major subsidy for this project but would agree to buy tickets and give them to our guests. I would imagine we could guarantee purchase of 1,000 tickets each summer month. Of course if the rail line is stopped at Aptos Village and not extended to Seascope we would have no use for the tickets.

I am a big believer in this project. Good luck on getting approval.

Sincerely yours,
