**Subject:** Re-appointment to SCCRTC Bicycle Committee

Dear Sean,

This letter is to confirm my interest and intent to seek re-appointed to the SCCRTC Bicycle Advisory Committee.

Recently Ted Benhari asked me if I would be interested in trading our respective positions on the committee. Under this arrangement I would become a voting member of the committee and he would become the committee's 3rd district alternate.

I have been attending meetings for the last year and a half and feel that I am ready to take on the responsibility of a voting member. Please inform Supervisor Wormhoudt of my continued interest in serving on the committee.

Thank you and best regards,

Will Menchine

Dear Sean,

This letter concerns my reappointment to the SCRTC's Bicycle Committee.

As I communicated to you via e-mail last month, I would like to be reappointed to the Committee, but in the capacity of Alternate, rather than Voting Representative from District 3.

My principle reason is that, as a retired person, and a Bonny Doon resident, I do not commute to work and much of my biking is now offroad, so I do not have as much firsthand experience as the present District 3 Alternate, William Menchine.

However, in my term on the Committee I have learned a lot about the issues with which the Committee deals, and I believe that that, plus my background in Public Relations, makes me a good candidate to fill in for Mr. Menchine when he cannot attend Committee meetings.

I have discussed this with District 3 Supervisor Mardi Wormhoudt and she is amenable to this, which I believe she has communicated to the SCRTC.

Sincerely,

Ted Benhari
