I am going to resign from Ed/Dis TAC. I would not be there in April again because I am out of town. I was in Sacto in Jan and Feb, ill this month and now gone in April. May? I don't know but I had better resign now. Thank you for asking me to join the committee. I enjoyed the time I was there but now my schedule is tight. My roommate is having hip surgery too and I have to take care of her so the future looks dim as far as this meeting date is concerned.

Thanks again, Karena.
