SUBJECT: Project Funding Modification Request

Dear Rachel:

The City of Santa Cruz recently received a BTA and HES grant for the same project, Soquel/Capitola Intersection Improvements. We were successful in transferring the BTA grant to the Soquel Avenue Bike Lanes Project, and hereby request, consistent with the 2004 RTIP adopted by the SCCRTC on April 1, 2004, that the \$320,000 in funds programmed by the SCCRTC to the Soquel Avenue project be shifted to the San Lorenzo River Bike/Pedestrian Bridge Project.

Thank you for considering our request. I have attached a copy of the State Agreement confirming the BTA grant for the Soquel Avenue Bike Lanes project. Please call me at 420-5422 if you have questions.

Sincerely,

Christophe J. Schneiter  
Assistant Director/City Engineer
