Subject: TDA Allocation for Glen Canyon Road Sidewalk Project

The City hereby requests allocation of TDA funds in the amount of \$41,005.42 for the construction of a sidewalk on the east side (creek side) of Glen Canyon Road.

- A. **Description of Project:** This project calls for the construction of a Portland Cement concrete sidewalk and a pedestrian railing on the east side of Glen Canyon Road from its intersection with Oak Creek Blvd. to Flora Lane (see map attached). Glen Canyon Road is part of the Federal Highway Administration (FHWA) system and is designated as a major collector street.
- B. **Justification:** This project is consistent with the RTP plan.
- C. **The cost of completion of this project is determined to be about \$95,000.**
- D. **Maintenance Agreement:** The City is committed to maintain the completed work for the life of the project, anticipated to be over 20 years.
- E. **Billing:** The City would like to receive partial funding of \$36,900, which is about 90% of the available funds. The remaining 10% to be billed upon completion of the project.
- F. **Environmental Review.** The City has obtained all required environmental clearance from appropriate agencies.

Sincerely,

Majid Yamin, P.E.
Civil Engineer
