RE: SCCRTC Bicycle Committee – Alternate Member Application for Saskia Lucas

To Whom it may concern,

As a current voting member of the Santa Cruz County Regional Transportation Commission Bicycle Committee, I wish to endorse Saskia Lucas' application to serve as an Alternate Member to the Committee in my absence as a representative of the Bike to Work program.

Saskia comes to this role well qualified: as Program Manager of Better World Bicycle Safety Program (BWBS), she is a staff member of the Santa Cruz Area TMA. BWBS, which came under the TMA in September 2004, does bicycle advocacy and safety education in local schools. In addition, Saskia has served on the Community Traffic Safety Coalition with me since February 2004 and has shown herself to be an energetic and effective developer and supporter of sustainable transportation programs.

Please feel free to contact me should you have any questions regarding Saskia's qualifications for this position.

Best regards,

Piet Canin
Program Director
