State Route (SR) 152/156 Improvement Project

Informational Open House January 26, 2005

WHAT:

California Department of Transportation (Caltrans) and Santa Clara Valley Transportation Authority (VTA) will hold an Informational Open House for the proposed State Route (SR) 152/156 Improvement Project in south Santa Clara County.

The proposed project would reconfigure the existing at-grade intersection to a grade-separated intersection by the following:

- Constructing a single lane, at-grade, direct connection between eastbound SR 156 and eastbound SR 152 and between westbound SR 152 and westbound SR156
- Constructing a single lane, grade-separated flyover ramp for eastbound SR 152 continuing on eastbound SR 152 through the intersection
- Constructing a single lane, at-grade, diagonal ramp for eastbound SR 152 and westbound SR 156.

WHY:

The purpose of the meeting is to:

- Provide the community with information on the project
- Provide an opportunity for the community to ask questions.

WHEN & WHERE:

Wednesday, January 26, 2005

6:00 p.m. to 8:00 p.m.

Casa de Fruta

Gate 5, Pacheco Hall
