

Attachment 2

**Uniform Transit Application Requirements  
For Proposition 116 Funds**

- Eligibility established by the Clean Air and Transportation Improvement Act of 1990 and codified in the Public Utilities Code sections 99600-99696. Eligibility for Santa Cruz County projects is shown in PUC section 99640.
- Compliance with the CTC Proposition 116 Rail Program Guidelines, Resolution G-90-23
- Compliance with the CTC Policy Resolution for Hazardous Waste Identification and Clean Up for Rail right-of-Way, if the project includes rail right-of-way acquisition
- A comprehensive project description and description of project benefits
- System characteristics, which includes an operating plan
- An overall project schedule and timeline
- Environmental clearance
- A project financial plan and overall project funding plan
- A resolution from the applicant agency asserting eligibility and compliance with applicable CTC guidelines and resolutions
