**SUBJECT: TRANSPORTATION DEVELOPMENT ACT FUNDS**

Dear Ms. Dellin,

The following is an initial claim for FY 2004/05 Transportation Development Act funds for the construction of wheelchair ramps at various locations in the City:

1. **DESCRIPTION**  
The project consists of the installation of wheelchair ramps on various streets within the City. A list of streets/corridors and number of proposed ramps to be constructed is attached.
2. **JUSTIFICATION**  
In accordance with ADA law, the City has adopted a policy that wheelchair ramps be installed on all streets scheduled for repaving. The City also prioritizes citizen requests for ramp installations, particularly when they are along highly utilized pedestrian corridors.
3. **ESTIMATED COST**  
The estimated cost of the installation of wheelchair ramps is \$200,000. It is requested that this project be funded with TDA funds. There are no other sources available for this project.
4. **MAINTENANCE**  
It is the policy of the City that sidewalk maintenance be paid for by the adjacent property owner. City staff monitors sidewalks throughout the City and administers the sidewalk repair program.
5. **DISBURSEMENTS**  
A final claim will be made upon completion of the project.

Sincerely,

Maria Esther Rodriguez  
Principal Civil Engineer
