

SCCRTC Executive Director
Goals for 2005 - PAST

Updated 11/23/05
(not in priority order)

1. Work to restore the trust of the RTC Board and the general public in the objectivity and responsiveness of RTC staff
2. Keep Highway 1 HOV Lane project PA/ED progressing smoothly, on schedule and on budget
3. Develop funding package and pursue funding for the Highway 1 Soquel Avenue/Morrissey Boulevard Auxiliary Lanes project
4. Secure California Transportation Commission approval for allocation for Highway 1/17 Merge Lanes project
5. Complete required and RTC-desired documents and analyses for rail line acquisition project, secure funding for the project, complete negotiations with Union Pacific based on RTC parameters, and make recommendation to the RTC on whether to complete the purchase
6. Secure California Transportation Commission approval for AB3090 reimbursement for MetroBase project, or implement other STIP action as decided by the Santa Cruz Metro Board
7. Advise RTC Board on process to involve community leaders and members of the general public in discussing regional transportation funding issues and the options for a local transportation funding package of projects and funding
8. Disseminate recommendations from the Paratransit Coordination Task Force and relay responses to the Elderly and Disabled Transportation Advisory Committee and the SCCRTC
9. Prepare and implement work plan and budget to establish the RTC as an independent agency with the goal of improving efficiency and cost-effectiveness of operations
10. Prepare and implement a balanced and efficient budget and work program for the organization and continue to pursue supplementary funding for the RTC's operations, projects and services in order to free funding for other local transportation needs
11. Continue to provide the RTC with clear, concise reports and sound recommendations

12. Establish and maintain good working relationships with local, regional, state and federal elected officials and agency staff and with representatives of community and business groups
