Subject: Hwy1/17 tree cutting needs to stop NOW

I protest the whole damn project, and am especially appalled that you are allowing caltrans to cut all the trees before the money is in your hands. "Hopeful" that the money "will be there" is not the same as having it, and the birds ans squirrels who depend on those tress as well as us homeowners who rely on them to block the ugly highway and give us privacy from the passing public are outraged, appalled and deeply hurt by your careless-ness. Stop the treee cutting immediatly, and stop the whole projet from goin thrpough. It will only cause more botlenecks at either ene anyway. Thaks you. Liz Oettinger 305 Lee St Santa Cruz, Ca 95060
