

Goals and Process

Transportation Funding Task Force

March 10, 2006

Overall Goal:

Consult with the community at large and develop a package of local new transportation projects and funding that have a wide base of support throughout the community.

Goal for First Round of Workshops

Raise awareness of the need for new local transportation projects and funding, and hear from a wide range of individuals about new projects and funding options.

Goal for Second Round of Workshops

Solicit input on a potential package of new local projects and funding as presented by the convener, and reach agreement on a package that has a wide base of support throughout the community.
