Statement of Qualifications

My interest in serving as an alternate for the Community Traffic Safety Coalition (CTSC) on the Bicycle Committee is threefold. In order to maintain consistent representation of the CTSC, I would like to replace Corinne Hyland as the current CTSC alternate as she will be out on maternity leave for a while. Secondly, I have been hired by the Santa Cruz County Health Services Agency as a Health Educator to administer a Bicycle Safety Education Program through an Office of Traffic Safety grant. Keeping informed of the information and activities of the Bicycle Committee will be beneficial to the success of this grant program. And lastly, I am a bicycle commuter myself and have been for 15 years, so bicycle promotion, advocacy and education are a personal interest of mine.
