

AGENDA: August 2, 2007

TO: Regional Transportation Commission

FROM: Luis Pavel Mendez, Deputy Director

RE: Entities Receiving Transportation Development Act (TDA) Funds from the Regional Transportation Commission (RTC)

RECOMMENDATIONS

This item is for information only.

BACKGROUND

As required by state law, every three years the Regional Transportation Commission (RTC) conducts a performance audit of itself and the Santa Cruz Metropolitan Transit District. In June 2007, during the presentation of the 2007 triennial performance audit, the auditor recommended including other entities receiving Transportation Development Act (TDA) funds in future triennial performance audits. RTC Commissioners requested a list of the entities currently receiving TDA funds from the RTC.

DISCUSSION

Attachment 1 is a list of the entities currently receiving TDA funds from the RTC along with the amounts allocated to those entities in FY 06/07. The attachment also includes the purpose for the funds provided to each entity.

SUMMARY

At the presentation of the 2007 triennial performance audit reports, RTC Commissioners requested a list of all entities receiving TDA funds from the RTC. This information is included as Attachment 1.
