REGARDING: Report from Commissioner Stone on the California Association of Councils of Governments (CalCOG) Fall Policy Meeting

RECOMMENDATION

This item is for information only.

BACKGROUND

The Regional Transportation Commission holds a membership in CalCOG. CalCOG provides public policy advocacy and intergovernmental coordination with the state legislature, state agencies, the League of California Cities, California State Association of Counties, California's Congressional Delegation and federal officials. Executive Director George Dondero regularly attends the monthly CalCOG directors meetings where transportation issues are discussed with directors from throughout the State and with Caltrans Director Will Kempton. The RTC appointed Commissioner Stone to serve as its delegate to CalCOG.

DISCUSSION

As the RTC's delegate to CalCOG, Commissioner Stone attends CalCOG's annual Regional Issues Forum and occasional delegates meetings, where CalCOG policies and priorities are discussed and adopted. At these forums, there are presentations and discussions on transportation, local and regional planning and financing issues. Commissioner Stone attended the November 14th Fall Policy Meeting of CalCOG Delegates. Attached are materials from that meeting. Commissioner Stone will provide an oral report on the meeting.

SUMMARY

Commissioner Stone serves as RTC's delegate to CalCOG. Commissioner Stone will provide an oral report on the Fall Policy Meeting of CalCOG Delegates.
