Dear Mr. Dondero: *George*

**RESPONSE TO QUESTIONS RAISED DURING THE JUNE 5, 2008,
SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION
BOARD MEETING**

This is in response to an issue raised to the Department of Transportation (Caltrans) during the June 5, 2008, SCCRTC Board Meeting.

Issue: Commissioner Emily Reilly expressed concern regarding the width of the connector ramps between southbound Highway 1 (slightly south of Ocean Street) and the Highway 17 merge. Commissioner Reilly wanted to confirm that the lane was not too close to the retaining/sound wall.

Response: As relayed during the meeting, once the project is complete there will be a standard 10-foot shoulder at this location.

Sincerely,

A handwritten signature in black ink that reads "Richard Krumholz".
