Thank you for the opportunity to review your RFP for this project.

I have briefly reviewed the document, and suggest one change:

In the table on pages 13 and 14, where the Agency and Context for each agency are listed, can you make the following change on page 14?

Santa Cruz Yacht Harbor should be listed as Santa Cruz Port District, and its context should be changed to "Coordinate Trail with improvement through Santa Cruz Harbor."

Thank you and good luck with your project! Please call me if you have any questions.
