**List of Projects in  
The Regional Transportation Plan**

The Santa Cruz County Regional Transportation Commission is currently in the process of updating the *2001 Regional Transportation Plan (RTP)*. The RTP is a planning document which is developed to provide a vision of regional transportation goals, policies, objectives and strategies. One of the key elements of the Plan identifies transportation improvements necessary to address the region's mobility and accessibility needs. The projects listed in Plan will serve as a foundation for future transportation funding programs.

**To assist in the development of the updated Regional Transportation Plan, the Commission is seeking input from Santa Cruz County transportation system users on the Draft Project List for the 2004/2005 Regional Transportation Plan update.** This project list includes new transportation projects as well as projects that were updated from the 2001 RTP. Comments on the SCCRTC by **December 1, 2003**.

. The Commission will consider the final project list at a public hearing at its April 1, 2004.

Copies of the current RTP are available online at [www.sccrtc.org/rtp](http://www.sccrtc.org/rtp) and at local libraries.
