## **Santa Cruz County Regional Transportation Commission (RTC) January 9, 2014 Meeting Highlights**

### ***Highway 1 Soquel/Morrissey Auxiliary Lanes Project Update:***

All major work items for the project are now completed, including the final list of items identified by Caltrans and the RTC's construction management consultant. One final work item includes planting mitigation trees and shrubs to comply with the City of Santa Cruz's Heritage Tree Ordinance in response to the removal of mature heritage trees during the construction of the sound walls immediately east of the La Fonda Avenue Overcrossing. This task, along with a two-year plant establishment contract, will be fulfilled by the project's landscaping subcontractor. A ribbon-cutting media event to announce the formal completion of the project will take place on January 22 on the La Fonda Bridge.

### ***Upcoming RTC and Committee Meetings:***
