Santa Cruz County Regional Transportation Commission (RTC) April 3, 2014 Meeting Highlights

2014 Regional Transportation Improvement Program (RTIP) Amendments:

On March 20, 2014 the California Transportation Commission (CTC) approved \$5.9 million in funding for projects proposed by the RTC in December 2013. The RTC amended its 2014 Regional Transportation Improvement Program (RTIP) to reflect updates to the scope, schedule and cost for several projects, including roadway preservation projects countywide, a roundabout in Capitola, and improvements along Airport Boulevard. RTC staff will work with project sponsors to implement projects, consistent with project applications or RTC approved amendments.

Amendment to the Regional Transportation Commission's Rules and Regulations:

The RTC amended its Rules and Regulations, which serves as the bylaws for the RTC and its advisory committees, puts forth local rules for Transportation Development Act (TDA) administration, and includes other administrative policies and procedures. The Rules and Regulations, last updated in 2006, were updated to reflect a variety of changes in law and practice, including current federal and state funding programs, the RTC's autonomy from the County, and current procedures. When finalized, the amended Rules and Regulations will be posted to the RTC's website at www.scrtc.org.

Upcoming RTC and Committee Meetings:
