

Handout – Item 5 Oral Communications (Items not on the agenda)

From: Marty Demare

To: Bicycle Advisory Committee

I noticed that the City Water Department intends to replace the water main from the reservoir, bringing it down Graham Hill Road. I urge the BAC to investigate the possibilities of creating a bike lane or separate path as part of the project. It would provide a safe connection between Felton/Scotts Valley and Santa Cruz, as well as access to trails in Henry Cowell State park.

Sincerely,

Marty Demare
