

# City of Santa Cruz Measure D

2016 Santa Cruz County Transportation Sales Tax
Fiscal Year 2023/24 Highlights

#### FY23/24 Measure D Revenue and Expenditure Snapshot

Measure D Allocation	\$1,714,825
Interest earnings & adjustments	\$208,897
Carryover from Prior Years	\$2,400,288
Expenditures	\$1,974,096
Carryover Balance	\$2,349,914

#### Highlights of Measure D Investments FY23/24\*

\*See the Expenditure Report for full list of how Measure D was spent this year

#### **PROJECT NAME**

- Description: Rail Trail Segment 7 Phase 2: construct a 0.79-mile paved bicycle/pedestrian trail along an existing rail line from the intersection of California Street and Bay Street on the west to Pacific Avenue on the east. Construction underway. Anticipated completion 2025.
- Complete Street elements: Fully separated multiuse path. Intersection improvements.
- Project Benefits: Improvements to multimodal mobility and safety.
- FY23/24 Measure D spent: \$1,448,080.57
- Total Project Cost: \$13,442.050

#### **PROJECT NAME**

Description: Street Smarts Traffic Safety Campaign: a regional safety marketing campaign.
Key messaging focuses on improving awareness of key safety focus areas. These include
distracted driving, multimodal use, speed, and DUI. See materials here:
<a href="https://www.cityofsantacruz.com/government/city-departments/public-works/traffic-engineering/streetsmarts-2766">https://www.cityofsantacruz.com/government/city-departments/public-works/traffic-engineering/streetsmarts-2766</a>

Project Benefits: Safety

• FY23/24 Measure D spent: \$10,000

Total Project Cost: \$40,000

#### **PROJECT NAME**

- Description: City Arterial & Collector St Reconstruction and Overlay (Ocean Street Pavement Rehabilitation): completed rehabilitation of Ocean Street from Felker to Water. Included multimodal improvements for bike, pedestrian, and transit.
- Complete Street elements: enhanced bike lanes. Accessible curb ramps. Transit accessibility improvements.
- Project Benefits: system preservation/maintenance, safety, access, multimodal options
- FY23/24 Measure D spent: \$250,000
- Total Project Cost: \$10,674,308

#### MAP OF MEASURE D PROJECT LOCATIONS

#### **Leveraged Funds**

The City of Santa Cruz has used Measure D revenues to serve as match and leverage grants and other funds for the following projects:

- Rail Trail Segment 7 Phase 2: leveraged \$7,305,726 ATP Cycle 5
- Rail Trail Segments 8/9: leveraged \$\$36.2M ATP Cycle 6
- City Arterial & Collector St Reconstruction and Overlay: leveraged \$600k RSTPx,
   Gas Tax, and Measure funds

#### Planned Investments for Carryover Balances and Future Funds

The City of Santa Cruz adopted its most recent 5-year program of projects (plan) following a public hearing at its May 31, 2023 City Council meeting. The 5-year plan identifies projects the City of Santa Cruz plans to spend carryover balances and anticipated future Measure D funds on, including:

- Rail Trail Segment 8 and 9
- City Arterial & Collector St Reconstruction and Overlay
- Bay Drive Protected Bike Lanes and Protected Pedestrian Path

For the full list of projects included in the 5-year plan visit: https://www.cityofsantacruz.com/government/city-departments/public-works/engineering

## Measure D Annual Report Cover Sheet - Fiscal Year 2023/24 Measure D Recipient Agency: City of Santa Cruz

**Dear Measure D Taxpayer Oversight Committee**: The City of Santa Cruz is pleased to present the following information demonstrating compliance with the voter-approved Measure D Ordinance, Strategic Implementation Plan (SIP), agreements and guidelines. Collectively they make up the Measure D annual report for recipient agencies.

Measure D Financial Information			
FY23/24 Formula Allocations	\$1,714,825		
Beginning Balance (unspent prior years	\$2,400,228		
Measure D Revenues/carryover and			
Interest)			
Interest earned in FY23/24 (including	\$208,897		
interest earned on balances carried over			
from prior years)			
Total Measure D Funding Available in	\$4,324,010

Attached Staff report

		other meetings where use of Measure D funds discussed)	
	g.	Photos: (Attach before/after and construction photos if available of projects/work done in the reporting year.)	See Highlights doc
	h.	Fact Sheets on larger projects: (Attach more detailed fact sheet on large projects (includes public information such as project name, description of work to be done, location, project benefits/purpose, schedule, graphics/maps, complete streets components/consistency, total cost & funding, including info on if Measure D was used to leverage other grants/funds).	Fact sheets for Rail Trail 7 Phase 2 and Segments 8/9 will be included in the RTC MBSST/Active Transportation category expenditure reporting
9.	Ma	intenance of Effort	
	a.	FY23/24 LOCAL funds spent on	\$3,658,677
		transportation projects,	
		operations, and/or services	
		(exclude grants and formula state & fed funds - HUTA, TDA, SB1, STA, etc.)	
	b.	Maintenance of Effort Baseline (average amount of <u>local</u> funds spent on transportation projects in 3-5 fiscal years ending June 2017)	\$3,434,181
	C.	If Local funds expended in the repor	ting year were lower than Baseline
		amount, explain why:	
d. Evidence of MOE (Attach MOE form/template, MOE documentation provided to State Controller Office OR other document showing Measure D is not supplanting other funds).			Attached

#### 10. Planned Use of Fund Balances & Potential Liabilities

a. Fund Balances, Carryover Projects, and Description of planned, longer-term and future uses of Measure D revenues, if known. (Describe planned use of balances. May include carryover projects, planned, longer-term and future uses of Measure D revenues, if known, potential cost increases, etc.)

Planned longer term projects include

- Monterey Bay Sanctuary Scenic Trail Segments 8 & 9: multiyear project
- Bay Drive Protected Bike Lanes and Pedestrian Path: multiyear project
- City Arterial and Collector Street Reconstruction and Overlay: ongoing project to improve the PCI of City roadways
- City Residential and Collector Street Reconstruction and Overlay: ongoing project to improve the PCI of City roadways

**b. Future Liabilities:** (Describe possible liabilities, including information on how future costs for projects not yet completed are anticipated to be funded.)

Monterey Bay Sanctuary Scenic Trail Segments 8 & 9: multiyear project. As design and right of way phases advance, continued cost estimating will be completed. As potential cost overruns are identified, City, County, and RTC will assess strategies for project delivery.

**Contacts:** Designated staff available to report on or answer any and all inquiries in regard to Recipient Agency's audit, projects and expenditures, and/or compliance with Measure D before the RTC and/or the Measure D Taxpayer Oversight Committee or RTC advisory committees, as applicable.

Measure D: Neighborhood Projects Program (Funds to Cities and County for Local Streets and Roads - LSR)

AGENCY:	City of Santa Cru

Measure D recipients are to document the performance and benefits of the projects and programs funded with Measure D funds. The following performance measures are a selection of performance standards to be documented by the recipients, as applicable. Additional or alternate performance measures may be provided or requested by the RTC or recipients.

Submittal date

2/21/2025

	D 6	164 1 1	
Performance Measure	Performance Metr Baseline (2016) or Prior Year	Current	Corrective Action
Pavement State of Repair	Track jurisdiction-wide Pavement Con "surface condition" of local streets fra years.	Any agency with a falling PCI must provide an explanation. If the PCI drops, specify what funding amounts, policies, or other needs are required to enable increasing the PCI to 60 (fair) or above.	
Average Network PCI (0-100)*	65	63	Applying for different funding sources in order to rehabilitate failing arterials, collectors, and residential streets. Secured funds include RSTPx
Date of PCI Analysis (month/year)	Sep-18	Jun-23	and STIP for future paving cycles.
Miles repayed in most recent FY (using all funds, not just Measure D)	1.04	2000LF	
Miles agency plans to repave in next FY (using all funds, not just Measure D)	3.64	4.6	
Total centerline miles in jurisdiction	134.34	134.34	
Complete Streets Implementation			Provide an explanation if less than 20% of Measure D funds are spent on bicycle and pedestrian facilities.
Percent of annual Measure D funds used to support bicycling and walking.	100%	80%	N/A
Support bleveling and waiking. Number of linear feet or lane miles of bicycle facilities built or maintained (bike lanes, bike routes, multi-use pathways) w/Meas D	1.00 Mile of bike lanes improved	3 Miles of bike facilities with underway improvements (Rail Trail Segments 7, 8, 9). Installed enhanced bicycle facilities on ~2,000 linear feet of Ocean Street.	
Number of pedestrian projects completed (linear feet of sidewalks, number of crossing improvements/striping, quantify traffic calming items, lighting, landscaping/streetscape, number of curb/ADA ramps, linear feet of trail/pathway built or maintained) w/Meas D	26 EA - ADA Compliant Curb Ramps 20 EA - Street crossings improved	New ADA accessible curb ramps (20) in Ocean Street paving project	
Describe how school access was improved for children bicycling and walking, which may include collision data, w/Meas D	Prior Year: utilized Measure D funds as a match to secure substaintial grant funding to improve school access. Construction occurs in various years per grant guidelines.	Measure D funds construction of the Rail Trail, grant match for ATP and other sources that includes comprehensive school and community based programming to increase walking and biking, Street Smarts Traffic Safety campaign, bike lockers, and improved bike/ped facilities as part of regular paving projects.	
Capital Project and Program Investment	Investment into capital projects and program administration (outreach,		Any agency expending less on capital investments than on staffing and administration must explain how capital investments will increase in the subsequent years.
Amount of Meas D expended on capital projects and programs by phase (design, right-of-way, construction and capital support)	Prior: Measure D funds were used on Construction Phase of Rail Trail Segment 7 Phase 2, and school based bike/ped education  Rail Trail Segment 7 Phase 2: \$1,448,080.57 CON Rail Trail Segment 8 and 9: \$161,067.32 PSE and ROW City Arterial and Collector Residential Streets: \$250,000 CON City Residential and Collector Streets: \$22K Design Street Smarts: \$10K programmin,		N/A
Leveraged Funds	Report total grants and other funding secured using Measure D as a match.		Explain if Measure D funds fully funding all projects.
Amount of competitive grants secured using Measure D as match	Prior years: Rail Trail Segment 7 Phase 2 utilizes City and RTC Measure D as match.	Rail Trail utilizes City and RTC Measure D as ATP match. Ocean Street utilized RSTP as a match. City Residential Streets utilizes local Measure Funds to leverage.	Note: large capital grants typically take more than one year to complete. This is the case for Rail Trail segments. This shows up over multiple reporting years

Revised 05.28.2023

MB Sanctuary Scenic Trail (Rail Trail) Segment 7 funding was increased by \$1.520 M from SCCRTC Measure D and increased by \$1.810 M from City Measure D to fully fund Phase 2 due to increased costs from inflation. FY21 and FY 22 funding was reduced in the City Street Reconstruction projects by \$1.47M, Swanton Blvd Multi-Use Path by \$0.2 M and the completed Pacific Ave Sidewalk \$0.148 M.

Items with saterisk include apphased bits and pedestrian facilities in everes of status our. This is true from FY 24 forward

Items with asterisk include enhanced bike and pedestrian facilities in excess of status quo. This is true from FY 24 forward Rail Trail Mainteance is the amount upto which RTC will reimburse the City, but only up to haf the total maintenance cost.

Apportionment info from: https://sccrtc.org/wp-content/uploads/2022/04/Attachment-5-Five-year-estimates-to-direct-recipient.pdf.

**DEPARTMENT:** Public Works

**SUBJECT:** Measure D Expenditure Plan: FY 2024-2028 (PW)

**RECOMMENDATION:** Motion to approve the proposed Measure D Five-Year Expenditure Plan for FY 2024-2028.

**BACKGROUND:** Measure D, the countywide transportation ballot measure, was approved by Santa Cruz County voters on November 8, 2016. Funding is restricted to five transportation categories of projects: neighborhood projects, transportation for seniors and people with disabilities, highway corridors, active transportation, and the rail corridor. The Regional Transportation Commission (RTC) is responsible for the implementation and administration of the measure.

The Expenditure Plan categories include formula funding allocations to local jurisdictions under the "Neighborhood Category." The City of Santa Cruz (City) is projected to receive \$1,717,000 in FY 2024 and \$9,083,000 over the FY 2024-2028 five-year period. The City has requested and been approved for Measure D funds allocated to the RTC for funding the Coastal Rail Trail within the City's Segments 7, 8 and 9, some rail trail maintenance funds, and the Street Smarts Traffic Safety Program.

The City Council has approved the past Measure D Five-Year Expenditure Plans and has entered into a master funding agreement with the Santa Cruz County Regional Transportation Commission (SCCRTC). The City must enter into project agreements with RTC for each project that receives RTC Measure D funds. The Measure D program also requires an annual audit and final report that is reviewed by RTC staff and its oversite committee.

**DISCUSSION:** In order to move forward with receiving funds, local agencies are required to hold a public hearing to annually develop a five-year program of projects. The public hearing was held on April 17, 2023 before the Transportation and Public Works Commission (TPWC). By motion, the TPWC recommended that the Council approve the proposed Measure D Five-Year Expenditure Plan for FY 2024-2028, and recommended that Council consider moving the Broadway Complete Streets Projects FY 2028 funding to FY 2026 and move either Market Street Bike Lanes and Sidewalk or Ocean-Plymouth Multi-Modal Project out years as needed. Based on the Commission's comments, Staff is proposing to move Broadway Complete Streets to FY 2025 and Market Street out to FY 2028, with the understanding that the Measure D five-year program is reviewed and reprioritized yearly.

The five-year program must meet the RTC guidelines, be consistent with the master funding agreement and must demonstrate that these funds will be used to enhance, not replace current transportation investments. A "Maintenance of Effort" report is developed annually to address this last requirement and may include performance measures. Additional details on the requirements and polices can be found on the RTC webpage (www.sccrtc.org). Staff is proposing a few changes to the budget based on the newest revenue projections.

Attached is the City's Measure D Proposed 5-Year Project Funding List for FY 2024-2028 which also includes the approved allocations in the previous fiscal years and committed RTC and County of Santa Cruz Measure D for Coastal Rail Trail Segment 7, 8, and 9. It includes the grant amounts that Measure D is used to match that are approved and proposed. Changes to this year's project list include adding one new project, Broadway Complete Streets in FY 2028, and deletion of Swanton Blvd. Multi-Use Path. The scope of the new project is not defined at this time but proposed funding may be used as local match for a future grant and will include traffic measures to enhance the bicycle and pedestrian experience. Measure D funding for Swanton was used as a local grant match the past several years. This year the City was successful and awarded an Active Transportation Program Cycle 6 grant to fully fund the project without the need for a local match.

The proposed City funded projects are approximately split 50-50 between local street paving and ATP projects over the five-year allocation period, though funding has been transferred from the paving to Active Transportation projects when costs have exceeded the adopted budget. The street reconstruction and paving projects also include new access ramps, sidewalk repairs, and enhanced bike lane and crosswalk striping that comprise anywhere from 5-20% of the paving project cost. This augments the City Measure D share for active transportation.

Projects and programs implemented in the past year or so with Measure D funds include MB Sanctuary Scenic Rail Trail Segment 7 Phase 2, Street Smarts, SR2S Youth Safety and street rehabilitation on Chestnut Ave with bike enhancements and other streets. Other grant funding was used on many of these projects.

Measure D approval recognized the need for a new funding source to better fund street reconstruction, overlay and other paving methods, and critical infrastructure maintenance that benefits all mobility uses. Even with Measure H (another sales tax) approved many years ago by City residents, occasional state grants and gas tax, the current funding only covered about half of the City's paving needs. Measure D and the passage of SB 1, the Road Repair and Accountability Act of 2017, is funding a more robust City paving program that now meets about 70% of our needs, as well as other street related improvements, such as storm drain reconstruction, in the coming years.

The five-year project funding list will be modified annually based on project schedules, cost estimates, and new project requests. The funding is incorporated annually into the Capital Investment Program (CIP) for projects and Public Works operating budgets for maintenance and programs.

**FISCAL IMPACT:** The COVID-19 pandemic did impact Measure D revenues though current allocations and projections reflect a smaller impact than previously anticipated. Measure D continues to have a very positive impact on the City's transportation budget by providing critical transportation revenue to the City's CIP and will be used advantageously to match additional

transportation grants. In addition, funding from the SCCRTC Measure D allocation for the Rail Trail projects will assist with implementing the projects in the City.
